The Ginkgo 1960

As this school year draws to a close, we, the seniors, look back over our four years of schooling with pride and contentment. We would like to express our appreciation to the faculty for their help and hard work in preparing us for a better life in the years to come. Many events which have taken place, some humorous, some sad, have enabled us to appreciate and understand society more fully and also to prepare for the disappointments in life. This GINKGO, we hope, will provide an accurate record of these events and the other factors which have combined to make our stay a happy one.

DEDICATION

Mr. David H. Kiser

Here is a man whom we have admired throughout the four years that we have spent at this school. Mr. Kiser has been very instrumental in teaching us the basic concepts of honesty, obedience, and the other fundamental principles of life.

He has always been a good friend and confidant of all, in addition to being one of the best English teachers in the business. It is then with great pride and pleasure that we, the senior class of 1960, dedicate this year's Ginkgo to Mr. David H. Kiser.

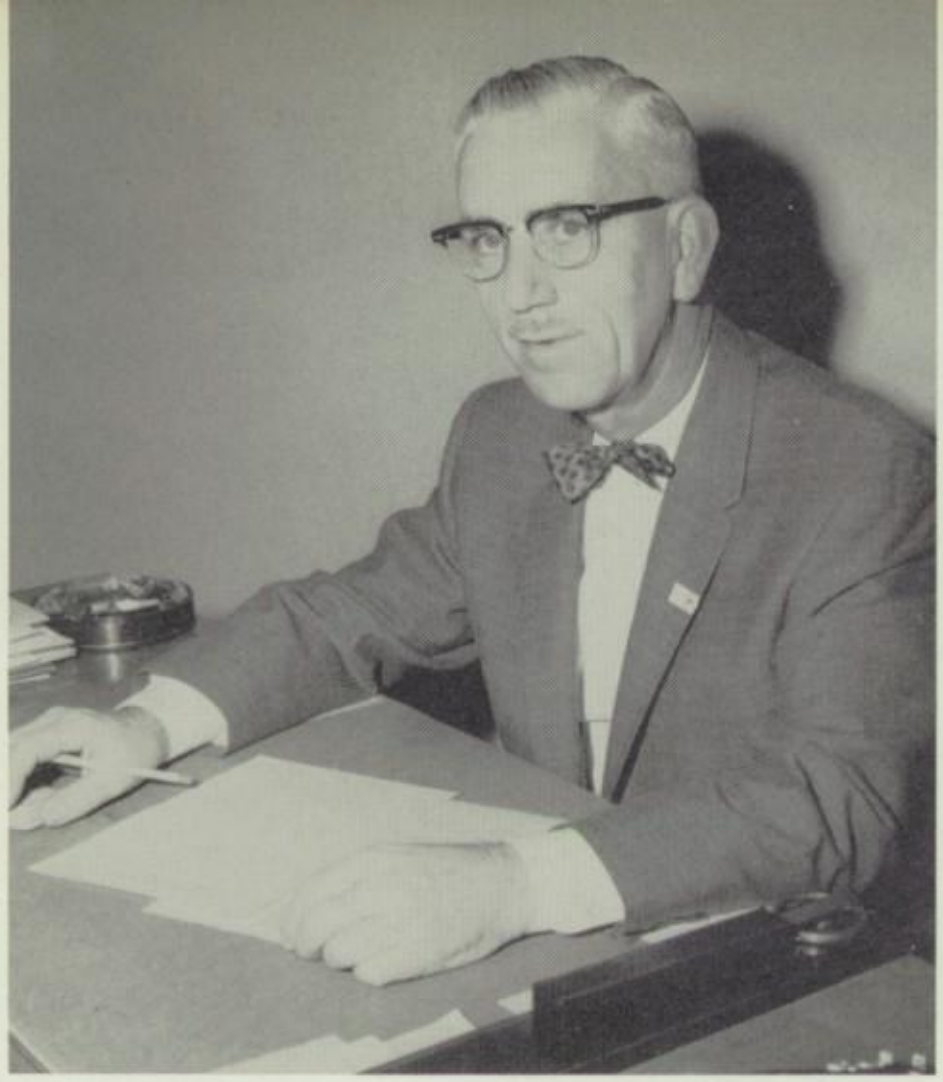
Left to right: Mr. Thomas, Mrs. Zern, Mrs. Cochran, Mr. Hastings, Mr. Hoge, Mr. Shifler, Mr. Johnston.

BOARD OF EDUCATION

The Board of Education, headed by Mr. Hastings, is the nucleus of our Crafton School System. We, as students, little realize the work and thought that lies behind each decision that is made. Very sincere about their work, these people meet to discuss the problems confronting our school system.

We wish to extend our deepest thanks to the members of this organization for their tireless efforts in making our school run smoothly. They truly have done a remarkable job.

MR. EARL HASTINGS
President



MR. PAUL L. MAXWELL
Superintendent of Crafton Public Schools

MR. J. F. GREGORY
Principal of Crafton High School

ADMINISTRATION

Efficiency is the keystone of our administration, and this is amply proven by our well-qualified staff. Mr. Maxwell, in spite of his various duties in the schools in our district, has time to take an interest in every student. Mr. Gregory, truly a friend to each of us, has earned the respect of everyone. We are indebted to our able secretaries, Mrs. Ireland and Mrs. Matlack, for a job they perform so well.

With sincere appreciation, we wish to thank our capable and efficient administration for the efforts they have made in assisting us through our four years at Crafton and preparing us for the future.

No argument! Seniors first!

THE SENIOR CLASS

How can we ever forget our Senior year, so filled with success? The magic moments we had long awaited finally arrived. Class pictures, name cards, and invitations kept us in a whirl. We had many stars as our abilities were shown athletically, dramatically and scholastically. We were filled with enthusiasm as our boys led us to victory in football, basketball, and baseball. Our hard work really paid off as our class play, "Curtain Going Up," became a smash hit. Our school work was just as successful as we had finalists in the National Merit Tests, awards given, and scholarships received. Measuring for caps and gowns made us aware that very few days were left of our high school life. Though saddened at graduation, we were happy that we had accomplished much in all fields and felt quite ready to face an unsure life ahead.

THE JUNIOR CLASS

We have proved ourselves worthy to be called upperclassmen. Our first three years have been filled with many wonderful and exciting times which we will never forget.

Our boys proved themselves to be real stars in their first year on the varsity squad. Our majorettes and cheerleaders showed their talents and were a great asset to our class. We were headed for success. When our class rings arrived, we were so proud and showed them off to the envious underclassmen. We were never more excited than when we presented our class play. The cast had worked hard but their efforts were not in vain. The JV's had a good year and we are looking forward to next year when we can further prove our skill. The year ended all too soon and the exciting days before the prom made us even more anxious for our senior year. With the graduation of the seniors we were saddened but we knew that at last we were the SENIORS of "61."

THE SOPHOMORE CLASS

Having passed our sophomore year with ease and success, we remember the fun we had. No longer the lowly frosh, we recall how "big" we felt. With the Ingram gang in our ranks we felt even mightier.

We experienced many thrilling times together as two of our girls were elected to the Varsity cheerleading squad. Our boys made us justly proud when some of them made the football and JV basketball teams. School work became a challenge as we explored a new world in biology.

As we look forward to being upperclassmen, we shall always remember the fun and excitement of being "just Sophs."

Ambitious looking, aren't they?

THE FRESHMAN CLASS

Our first year at C.H.S. proved to be one of excitement as we viewed the world in a new light. Those first few days we were completely lost as we made our way to our classes. After several weeks, however, we settled down to the routine of things and began to enjoy our high school days.

We were especially thrilled when our cheerleaders led our basketball team to victory. The pennant races and our first formal, the "Letterman's Ball" were some of the events that we can never forget.

With the many new friends that we have made we are looking forward to greater things in our coming years.

Band is an extracurricular activity made up of students from seventh grade to twelfth grade. This year it was held after school on Monday, Wednesday, and Friday. Under the direction of Mr. John D. Small, the band spends many hours drilling and practicing. They start in the summer for the football games. When football season is over they practice for their concert, which was given March 31 and April 1 this year. The majorettes, headed by Judy Lepak, practice and display their talents right along with the band. After the concert they rehearse for graduation. At this ime the C.H.S. Band loses a few of its members who will carry fond memories of hard work, and lots of fun, through the years.

CHORUS

Miss Gayvert, Linda Grant, Irene Kueshner

Chorus this year became an after school organization. Rehearsals were held at noon time as well as after school. The chorus, divided into a mixed group and a girls' chorus, gave a program during American Education Week and the traditional Christmas presentation. Our Spring Festival, a visit to many lands, was given very successfully on April 28 and 29. The Girls' Ensemble presented two programs at the Women's Civic Club of Crafton—one before Christmas and the other in the spring. This being Miss Gayvert's last year, the chorus worked exceptionally hard to make it her most enjoyable one. She will be sadly missed by all.

NATIONAL HONOR SOCIETY

Being a member of the National Honor Society is certainly something to be proud of. The members of our faculty vote each year for those seniors, in the upper third of their class, whose abilities in scholarship, service, citizenship, and character carry them far above their classmates. This membership is a distinction not only for scholastic achievements, but also achievements in extracurricular activities.

THE 1960 GINKGO STAFF

Well, I'll be . . .

National debt???

This is no laughing matter.

That's one down.

Many heads are better than one.

B-b-b-but, Mr. Schroth . . .

THE 1960 GINKGO STAFF

The GINKGO staff is made up entirely of seniors, who, under the guidance of Mr. Schroth, combined their inspirations and talents to produce this yearbook. The co-editors, Karen Kimpel and Gil Moore, were chosen by the faculty. Many free hours turned into long hard working ones for the staff. They spent many late evenings working on this yearbook, always striving to meet the deadline. They all feel it was worth it and an experience never to be forgotten.

NEWS O'CRAFT

NEWS O'CRAFT

Our school newspaper is published through the combined efforts of the journalism class and Mr. David Kiser. The staff worked very hard to issue an interesting and humorous paper for the students each week. Special extra long issues, written several times during the year, were enjoyed by all. A subscription drive was held each semester to cover the expense of publication.

Many interesting occupations were presented to the members as possible fields of employment to future college graduates.

F.T.A.

The chief aim of the Future Teachers of America is to give preliminary teaching experience to those interested in this profession. All members had opportunities to teach different subjects and grades in the First, Second, and Third Ward Buildings. A trip to visit several colleges in Western Pennsylvania climaxed the club's many activities. Through experiences offered by the club the girls were able to gain knowledge of many of the fields open to people in this occupation.

FOOTBALL

Although not a success in the won and lost column, the 1959 Cougars successfully provided their loyal supporters with action-packed football. The able coaching staff of Mr. Derrickson, Mr. Kmetz, and Mr. Mellett, continually stressed hard, but clean, play—a Craftion tradition. Emblematic of this was the presentation of the "Big Ten Sportsmanship Trophy" to the Cougar squad. Though outscored the "blue and gold" was seldom outfought; the players gave their all in every instance doing themselves and their school proud.

Mr. Kmetz

The 1959-1960 Crafton varsity basketball season was highly exciting, though unproductive as the Cougars ended Section 13 play with a disappointing record of four wins and ten losses. The "jungle cats" were quite erratic in their play, looking like champions in their wins and near misses, but playing poorly in the rest of the games. The near misses were numerous: a three-point decision to Dormont, and last second heartbreakers to Scott, Carnegie, and undefeated section champion, Bethel. The record may look poor, but it is not a just indication of the hustling, scrappy ball played by our boys.

ALMA MATER

Loyal and truehearted

Let us boost for Crafton High

We revere her and defend her

As her colors proudly fly.

We will stand for her united;

Of her deeds we'll gladly tell,

Her colors streaming,

Bright faces beaming,

So here's a cheer for her

That we all love so well.

Joyous and every loyal,

Let us boost for Crafton High;

Let every heart sing;

Let every voice ring;

There's no time to grieve and sigh.

It's ever onward, our course pursuing,

Let defeat ne'er our ardor cool;

But united we will boost for her—

Our Crafton High!

Class of '60 shoves off for life.
